Gentlemen:

At one time I sent to you for a 25c box of Dr. Fred Palmer's Skin Whitener and I liked it very much, but neglected and neglected of sending for any more. Now that my skin seems to be getting in a bad shape from the cold winds, etc., I am sending for another 25c box, and I think I will try the Hair Dresser, too.

You will find enclosed the sum of 50c.

Yours truly,

MANIO JOHNSON.

No. 224 Second St., Oakland, Cal.

## Sport and Theatricals

FOOD FOR FANS.

By Charles A. Starks.

"Eureka!" is about all we can boast of by way of the Greek language. Yet this lone word vocabulary may be made highly expressive of the thing that the Negro has been hoping and looking for in this hitherto slow barge. That thing is high class baseball played by men of color. Now since "Eureka" means "I have found it," then Eureka is the word, because we have the glory of the Monarchs' victory over our contentious friend from "Chi" in a little more than a seven day wonder. Local fans are still, we should rather say discussing it, but not "still." Some, the disgruntled sages, have left off the "dis" and have simply "cussed" the whole shebang as a cruel upsetting of all their dope.

The Monarchs are a wicked bunch, and there is no rest for the wicked, you know, or should we have said weary? Anyhow, team after team to trim the arduous task set for these wicked locals. This week brought the Dayton Marcos to town for their trimming, but Saturday's game looked as if the visitors were there themselves to do the trimming, not to be trimmed. They took the first game by outbating the locals in a veritable slugfest. The Dayton gang are small calibered in size, but there with the big stick—they swat the ball! In the fifth they gathered oodles of safeties off of Currie which netted them 7 scores. Smith ascended the acclivity to relieve Currie, but was immediately murdered after pitching only a few across. Mendez finished on the mound for his team. The score by innings:

R. H. E.  
Marcos, . . . . . 010 070 320—13 12 0  
Monarchs, . . . . . 113 100 120—9 11 0  
Batteries—Marcos, Coleman, Regland, McLean-Murray.

Monarchs: Currie, Smith, Mendez—Ray, Rodriguez.

Sunday's Game.

The Monarchs, after a set of close played sessions, won today's game from the chubby little players from Harding's own state. Things started off in serious style, neither side scoring until the fourth, when the aggressive Monarchs broke the monotony by putting one over. Rogan pitched elegant ball up to the first half of the fifth when he hurt his arm and had to be relieved by Crawford, who finished in great manner, holding the visitors down to 3 hits and the single score they were able to make. The seventh looked dangerous to the locals, but Crawford got his English to working and kept the Daytonos from

scoring again. The abrogated fellows seemed to play the home boys a closer game than the storming "Rube" did last week. The game was fast and clean-cut, no squabbling. The elongated pitcher for the visitors performed well for five rounds, but the locals found him in the sixth and he was pulled with 3 men on bases. Lane, who relieved his fellow hurler, could not redeem the bad situation and the Monarchs ran in 2. Except for a few extended features the crowd rivaled the one of the preceding Sunday. The score:

R. H. E.  
Marcos, . . . . . 000 000 000—1 5 1  
Monarchs, . . . . . 000 102 10X—4 9 2  
Batteries: Bright, Lane, Murray—Rogan, Crawford, Rodriguez.

Monday's Game.

To use a vernacular phrase that we are saturated with around a lively shining parlor, "the Monarchs couldn't get well" today. Donaldson pitched a good game, fanning 8 Marcos. Rogan got one triple in the 6th and one in the 9th. The Monarchs outbated the visitors, but could not overcome the lead that the Dayton team gained by a costly error by Rodriguez, the receiver for the locals. The visitors clamped on the lid and won 4 to 3.

The score by innings:  
R. H. E.  
Marcos, . . . . . 010 020 100—4 6 1  
Monarchs, . . . . . 100 010 001—3 9 2  
Batteries: Britt, Webster—Donaldson, Rodriguez.

Tuesday's Game.

Collecting 19 hits off of the Marcos and allowing the visitors only 4, the Monarchs piled up 11 runs while shutting out their opponents today. Crawford was in form, and consequently the visitors suffered from an inability to connect safely with the wary spherule—our hero sent 7 down by the strikeout route. McNair, Rogan and Crawford were the batting demons of the day. Each got 3 hits from the army of pitchers the Marcos used. It was a shame to take the proceeds of the evening. The Marcos got today what they so narrowly averted Sunday—bring on the whitewash brush.

The score by innings:  
R. H. E.  
Marcos, . . . . . 000 000 000—0 4 4  
Monarchs, . . . . . 020 032 40X—11 17 0  
Batteries: Regland, Wingfield, Lane, Webster, Murray—Crawford, Ray.

MONARCHS LOSE SERIES.

By winning Wednesday's game the sturdy little man from Ohio copped the series from the Monarchs, 3 to 2. This is the first series our boys have lost on the home grounds. They are off now for their great eastern trip.

CHICKEN SANDWICHES, JEFF'S.

Location at Uranus.

The latest calculations, based on the perturbations of Uranus, are stated by Dr. Eric Doolittle to show that the hypothetical planet beyond Neptune is nearly four billion miles from the sun, and requires 283 years to complete a revolution in its orbit. It is much smaller than other distant planets, with a mass only six times that of the earth. This is a secret of its elusiveness, and its discovery is expected to reveal a minute body of only the twelfth or thirteenth magnitude. Search is now being made for this mystery of the skies near Gemini's western border.

Biggest Freezer in World.

The biggest freezer in the world, with a capacity of 50,000,000 pounds, has just been completed and is now in operation at the Chicago plant of a large meat-packing concern. It has been erected for the dual purpose of freezing meat products, particularly for export, and of storing products during the period of heavy production, to insure a supply at all times. The building is ten stories high and was erected at a cost of \$2,000,000.

Golf by Plane.

Two modern touches in golf were introduced at the big professional tournament at Glenageary, in Perthshire, recently. Airplanes, bringing spectators, arrived at regular intervals from Glasgow, 47 miles away, and every competitor wore a distinctive number on his jacket to facilitate recognition.—Daily Mail, London.

What He Said.

Paul and Gerald, twins, were visiting their grandmother in a distant city. One afternoon grandmother walked to the nearby grocery, taking Gerald with her, Paul being asleep. The grocer gave Gerald an apple which he silently accepted. Grandmother turned to Gerald and said: "Now, what do you say?" "Give me one for Paul."

Error Regarding Indigestion. Now, it is a popular error to suppose that indigestion is merely an affection of the stomach. There is not a single organ, a single tissue, or a nerve which is not affected to some considerable degree.

Strange Names Popular.

In India names are likely to change as a result of conversion to Christianity. For instance, Mr. Nosepicked becomes Mr. Servant of Jesus; Mr. Beggar, Mr. Child of the Church; and Mrs. She Devil, Mrs. Happiness.

Mirror Part of Dress in 1600. In the sixteenth century no lady was considered in full dress unless she had a mirror at her breast. It was oval in shape, about four inches in size.

WHAT YOU WILL SEE IN THE BIG SUPER SPECIAL PICTURE,  
"THE FORTUNE TELLER."

The underground methods of a fortune teller in securing information regarding clients.

How the fatal ace of spades foretold a tragedy in the home of an elderly scientist—and the sinister influence on his beautiful young wife.

Glimpses behind the scenes in circus life—and why the Strong Man beat up the brutal owner.

A startling demonstration of a mother's psychic power—and its influence in making a real man of her son.

What happened when "The Universal Guest" made love to the scientist's beautiful wife and the husband surprised them.

Magnetic Marjorie Rambeau—the greatest emotional actress of the stage and screen—in gripping scenes epitomizing the power of mother-love.

How a jealous husband trapped his fascinating young wife into a compromising situation with an unscrupulous adventurer.

Circus day in a small town—and the ups and downs—joys and sorrows of a circus performer.

The most powerful and heart-stirring renunciation scene ever shown on the screen—a woman who had been wronged and had gone down into the depths, and then reclaimed by the power of mother-love, sacrificing her mother-heart to save the self-respect of her son.

Wrongfully accused by her tyrannical husband—her child taken from her by an unjust law—this woman became the slave of a drunken brute. When she heard the all-compelling voice of mother love calling her, she threw aside the shackles of a degrading life. When Providence led her to her boy who needed her love, she rose to heights that only a mother can attain. See Marjorie Rambeau in the most soul-stirring and heart-moving dramatic moments ever portrayed on the screen.

A feature production that's different. A mother-play told in a different way. To miss this play is to miss the finest play in many months. By all means see it. Mr. Newman said that this is the best play that he has ever shown to his patrons and many who have seen it agreed.
